

The universe was created
by (a) personal God(s)

Yes

No

God(s) can be known

physical matter is what's
most real

No

yes

No

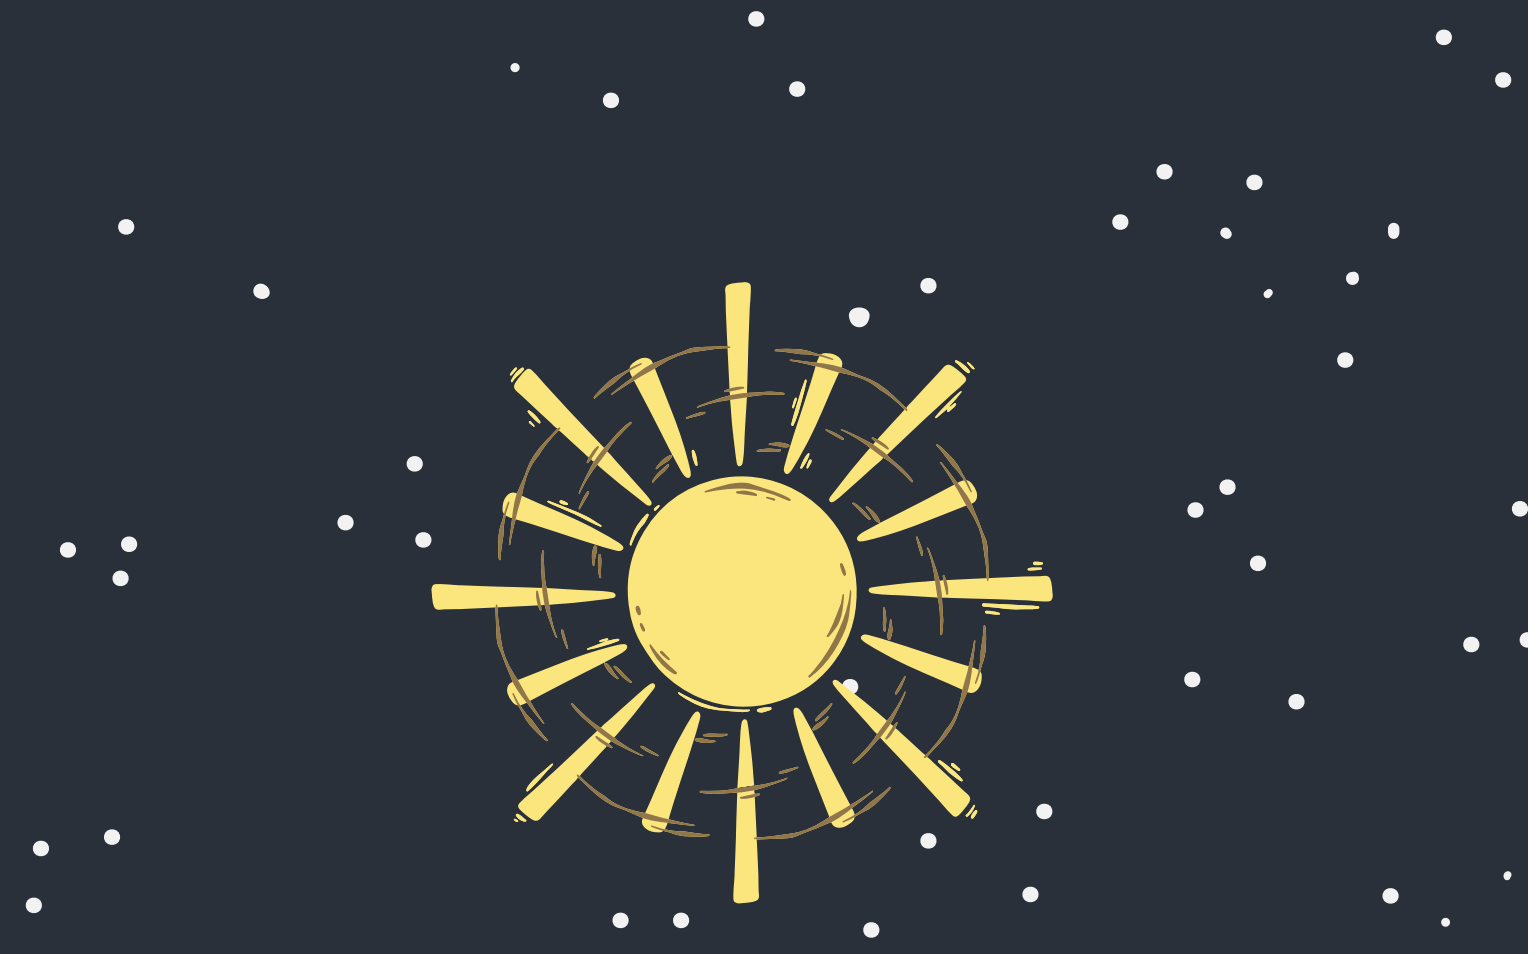

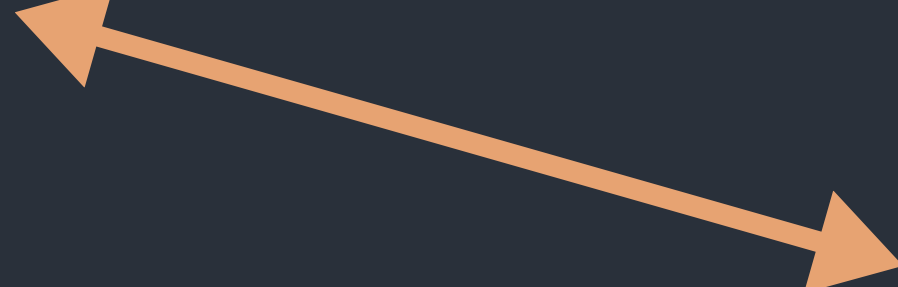

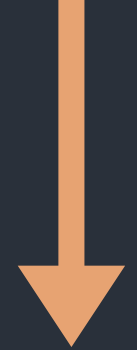

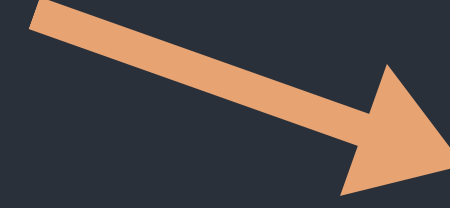

Yes

We must find non-God
oriented ways of creating
meaning

Meaning ultimately lies within
physical systems

Meaning can't be sufficiently
made without reference to
God(s)

humans create meaning through
storytelling

social media corporations
must prioritise stakeholder
interest

social media corporations
must prioritise protecting
children

Yes

No

ultimate responsibility lies
with legal guardians

Yes

university institutions do
not have ultimate
responsibility in caring for
students' mental health

care for children on social
media is ultimately the
responsibility of
corporations

We should find ways of
fostering national
consciousness

Yes

society works best when
one culture is dominant

No

collective responsibility

No

society works best when
private institutions have
more power

No

society works best when
governments have more
power

Yes

We should empower private
institutions to properly
reflect interests of the
masses

there's no value distinction
between cultures

No

Yes

different ethnic and social
groups have a moral
responsibility to each other

No

Yes

this is because
responsibility is towards
your own 'clan'

this is because moral
responsibility has a divine origin

personal fulfilment comes through serving your community

authenticity is the bottom line

inner fulfilment regardless of financial situation is the highest good

individual choice the highest good

financial freedom is the highest good

art should never be censored

the individual should make their barriers known

personal fulfilment

social barriers can be overcome through having the right mindset

there are legitimate reasons to censor artistic/cultural narrative(s)

only the individual can decide their financial worth

free speech should be regulated

we must create a resilient enough society

Yes

No

Yes

No

Yes

No

Yes

No

No

Yes

worth

the individual should not accept a contract that is below their perceived financial value

financial worth is a negotiation between the individual and the community

social barriers can be overcome through having the right mindset

there are legitimate reasons to censor artistic/cultural narrative(s)
